

Technical data sheet EV911

Specification Counter chair medium high, Chillback, Synchronous

Dimensions in mm	Backrest:	H:	640
		Seat:	H: 665-945
		W:	520
		D:	450
	Total:	H:	1540
		W (no ArmR):	520
W (ArmR):		685	
D:		535	
Packaging data	Weight:	kg	17,5
	Volume:	m³	0,7

Basic equipment

Benefit

Plastic parts	Colour maintained throughout, black or white.	Always look good even with intensive use.
Backrest	Upholstered mesh backrest (Chillback), medium high. Mesh component of the Chillback always black.	The elastic multi-layer structure of the Chillback backrest supports the body contours in a way that usually only mesh would do. At the same time, the padding ensures excellent comfort and prevents air currents from behind.
Upholstery	Seat upholstery: 53 mm foam.	Upholstery is unglued, ensuring optimal air movement, breathable.
Mechanism	Synchronous mechanism, lockable. Large opening angle of up to max. 108°. Backrest lockable in 4 positions.	Synchronous mechanisms of Interstuhl are designed in a way that they help to support optimally the body in every seating position and at the same time they relieve the change between the different seating positions.
Seat height adjustment	Seat height adjustment infinitely variable from 665 - 945 mm.	People measuring with a height between 151 and 192 cm (Acc. to DIN EN 1335) can individually adjust the seat height in the most ergonomic way.
Weight Adjustment	From 45 - 120 kg, multilevel.	Individual adjustment of the backrest and the back pressure to the weight and height of the user.
Glides	Glides for hard floors (Acc. to DIN EN 12529).	Good stability.
Base with climb assistance	Aluminium base, polished with foot ring (Ø 470 mm) on glides.	Very good stability, long service life.
Materials	All materials are pure and recyclable.	Environmentally friendly.
Standards	GS-Symbol for tested safety, tested for contaminants, Ergonomics approved. BIFMA.	High quality product and safety.
Certification	Quality management system DIN EN ISO 9001:2015, Regulation (EC) no. 1221/2009 (EMAS), Environmental Management System DIN EN ISO 14001:2015, Occupational Health and Safety Management System DIN EN ISO 45001:2018, Energy management system DIN EN ISO 50001:2018, EcoVadis Gold, Commitment to sustainability, Quality Office, Blue Angel, Bifma e3 level Platin.	High quality product.
